WHOLESALE CATALOGUE

For FLORISTS and MARKET GARDENERS

This WHOLESALE Catalogue is mailed to the trade only. If you wish an illustrated RETAIL Seed Catalogue, a copy will be mailed upon request.

MICHELL'S PRIVATE STOCK WHITE PLUME CELERY

There is all the difference in the world in the different strains of seed. This is especially true in our strains of White Plume Celery. Our Private Stock brand is a careful selection of our regular White Plume Celery. It will produce a very early, nutty and solid stalk. Most market gardeners who have tried it regard it as the best early celery in existence. On account of short crop, our supply of this is somewhat limited this year. Oz , 25c.; 75c. per ¼ lb ; lb., $2.50.

VEGETABLE SEED SPECIALTIES FOR MARKET GARDENERS

Every vegetable grower is constantly aiming to have something superior in quality to his fellow trucker. The few specialties we offer below (while in name not exactly new) are such improved strains and so different over the old types, that they should commend themselves to every vegetable grower. We have experimented with them, so they are past that stage.

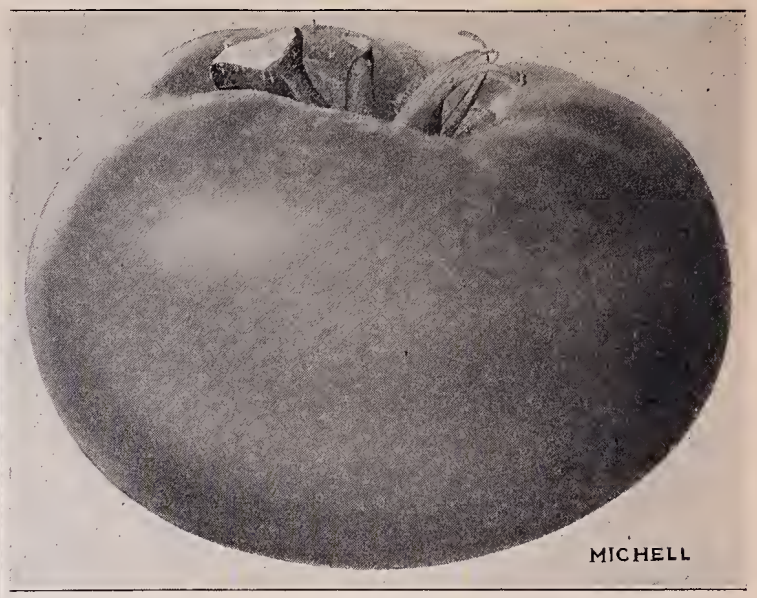
Michell's Second Crop Cabbage

MICHELL'S SECOND CROP CABBAGE

A number of prominent market gardeners who have grown this pronounce it the most profitable cabbage they ever handled. It is a great improvement on "Early Summer", coming in before the summer sorts and after the early variety is off the market. A good hard header, and an excellent color.

25c. per oz.; per ¼ lb., 80c.; $3.00 per lb.

Michell's Private Stock Dutch Butter Lettuce
(See description opposite)



Michell's Private Stock Stone Tomato

MICHELL'S PRIVATE STOCK STONE TOMATO

The "Stone" tomato is indisputably the best general tomato in cultivation. This strain is a special selection of large, perfectly formed fruits. The price we ask is just a trifle more than that of the standard grade, but it will be found far superior in every way. It ripens evenly all over, is very solid and has comparatively few seeds.

25c. per oz.; ¼ lb., 75c.; $2.75 per lb.

COMET TOMATO

This is the most prolific tomato for either forcing or outdoor planting. While the originators' intentions were to use it exclusively as a forcing sort, outdoor trials have proven it to be a wonder. It is very early (that is, earlier than the "Stone" and similar sorts), and every fruit ripens even up to the stem. Last season under adverse conditions it did remarkably well. The fruit is large, evenly formed and bright red. There are very few seeds, which accounts for the price. Everyone should give this a thorough trial.

Pkt., 20c.; 75c. per ¼ oz.; ½ oz., $1.25; $2.25 per oz.

MICHELL'S PRIVATE STRAIN DUTCH BUTTER LETTUCE

"Dutch Butter" lettuce is an old standby. **It rarely fails** to make a satisfactory head. For early sowing, as well as for summer and fall use, it will be found indispensable. The variety itself is too well known for us to dwell on a description, except to say that all who have been growing this variety will find our private stock to be far superior to the old strain.

15c. per oz.; ¼ lb., 50c.; $1.50 per lb.

SPECIAL NOTICE All Vegetable Seeds NOT listed in our Wholesale Catalogue, which may be found in the Retail List, are subject to the following discounts from Retail Prices, viz.; Packets. 33⅓ per cent.; ounces, pints and quarts, 25 per cent.; novelties, 20 per cent.

MICHELL'S EVERGREEN LAWN GRASS SEED

We could write pages of testimonials from people who have sown this mixture and pronounce it the best they have ever used. It comes up evenly, quickly; in fact it can be mowed in four to six weeks after sowing the seed. It makes a thick, permanent sod and thrives under most adverse conditions. Sow 4 bushels per acre on new lawns or 2½ bushels per acre in renovating old lawns. Landscape architects will find it equal to any and better than most other brands of grass mixture. Peck, 85c.; $3.25 per bushel of 20 lbs.; 5 bushels, $15.75; $31.00 per 10 bushels. Special price on larger quantity.

Every true flower lover should plant this fine novelty as it is the grandest Gladioli ever offered. Price, 30c. each; per doz., $3.20; $25.00 per 100.
